

FALL 2012

Our Mission: Promoting workforce development in the St. Croix Valley by addressing broadly defined HR and other business needs.

Presidential Notes

Great things are happening in our Chapter right now! We just wrapped up another highly successful Labor Law Clinic on September 19th. HR Professionals from miles around gathered for our full day seminar to get the "latest and greatest" information in employment law. This was yet another fantastic example of how our local SHRM Chapter continues to help local professionals advance in their profession and successfully carry out their daily HR duties.
