

Presidential Notes

Summer is upon us and I would like to take the time to thank the Board Members of the St. Croix Valley Employers Association, your local SHRM Chapter, for their time and efforts this year. The focus, energy and commitment of the SCVEA Board has helped our Chapter to move forward and achieve our goals. I am truly humbled to work with such a positive and dedicated group of individuals...[\[Read More\]](#)

Legislative Update

On Thursday, June 28, 2012, the United States Supreme Court issued a landmark decision upholding the Patient Protection and Affordable Care Act (also referred to as "Obamacare" and "health care reform"). Signed into law two years ago by President Obama, the Court upheld the Act in a 5-4 decision. The Court held that the Act's "individual mandate" is constitutional, but only as a tax.
